

# ARCHITECTURE IN OTHER CULTURES

WINTERIM  
ARCH 6520

## Thailand

Thailand boasts a significant cultural and architectural history that spans thousands of years presently in the process of globalization and urbanization. It is a dynamic and proud country engaged in modernization framed by cultural traditions. The architectural and cultural legacies will be introduced within the framework of dynamic contemporary challenges.

This International Workshop & Study Tour is a partnership with faculty members and students from the King Mongkut's Institute of Technology, Ladkrabang (KMITL) in Bangkok. We will be based in Bangkok with an 8-day bus excursion to the central and northern regions of Thailand (approximately 1000 miles roundtrip). The UCD and KMITL will team up to explore several topics ranging from the vernacular to urbanism, from temples and palaces of Sukhothai and Chiang Mai to the hectic pace of urban Bangkok.

These programs are designed with the CU Denver student body in mind: costs are reasonable and they are short-term to allow busy students to fit studying abroad into their schedule.

## Financial Aid

Financial aid applies to all Global Study programs for CU Denver students. Please keep in mind that Winterim programs are considered part of spring financial aid.

For more information, contact Jennifer Helgeson at the Financial Aid office. ([jennifer.helgeson@ucdenver.edu](mailto:jennifer.helgeson@ucdenver.edu))
